SPRUCE PEAK

VERMONT SKI RESORTS CORPORATION

SENSATION QUAD

Sensation Quad includes Blue, Difficult, and Red Difficult terrain only. Skyride access to other Spruce lifts and base area is via the Red Difficult trail only.

HIGH HAZARD AREA

In the summer of 2014, a severe wildfire hit this portion of the Mansfield State Forest. While all designated trail riding & hiking projects increased risk and hazards, this area contains extremely hazardous fallen trees, snags, unstable terrain, debris and uneven openings.

WE SUGGEST WHEN YOU DO NOT SEE OR SNOWMAKING IN THIS AREA DUE TO THE ABOVE RISKS CAUSED BY THE STORM DAMAGE.

SEE AREA INFORMATION

The area beyond the boundary is hazardous backcountry terrain, containing unmarked hazards such as cliffs, rock boulders, stumps, sharp rocks & boulders. This area is not patrolled or monitored.

If you observe that a person who uses all area facilities to access terrain that is outside the quad is designated trails that be look for any cords of rescue, medical or other services.
